TEAM ROSTER: LIMITED TO 20 PLAYERS (including subs). All players and subs must sign the roster form before being allowed to play a scheduled game. The roster includes a "Waiver of Liability" which players should read before signing. Players added after the roster has been submitted to the Park and Recreation Department MUST come to the Department and sign the original roster. The original rosters will not be allowed out of the Department office.

LEAGUE TENTATIVE STARTING DATE: Approximately Friday, April 29, 2011.

ROSTER INFORMATION: Rosters must include the names, home address, and home phone numbers of all players. Manager for contact person should have a phone number listed where the Park & Recreation office may reach them between 8:00 a.m. and 5:00 p.m. Players living outside Olmsted County must also include their place of employment within Olmsted County. No rosters will be accepted without this information. **ROSTERS ARE LIMITED TO 20 PLAYERS.**

****Managers who use players from outside the county (players who do not meet residency requirements - living, working, or going to school fulltime in Olmsted County) will be charged \$20.00 per player. Failure to inform the Park & Recreation office of Out of County Players and payment of their fees will result in a forfeit of all games played.**

NOTICE - VERY IMPORTANT! The intent of the Park and Recreation team classification system is to place teams in a division in which they are competitive. Not all teams can win championships in the Park & Recreation Softball Program. When a team disregards all principles of fair play by intentionally competing at a level below their ability in an attempt to win a championship or play in invitational tournaments on weekends at a lower level of competition, the team has not only cheated themselves but also the entire program. Therefore, the classification rule listed below will apply to all divisions of play within the Park & Recreation Softball Program. The teams that fail to comply with the classification rule will forfeit all remaining games and entry fees if discovered during the softball program.

A team is defined as the number of players required to play a particular sport, not the number of players allowed on a roster. (i.e. Joe's wins the Men's Dakota League and retains five (5) players who were on that championship team or picks up 2 or more players from a higher league; Joe's MUST move up to a higher league of competition.) Teams found in violation of the classification rule shall be immediately disqualified from competition. If you have any questions regarding this rule, please call me.

****UMPIRES ARE NEEDED! PLEASE CALL 328-2525 IF INTERESTED.**

This is general breakdown of costs for the Summer Softball Season.
SLOW PITCH SOFTBALL \$405.00
\$ 90.00 Field Maintenance
\$315.00 Trophies, Balls, Officials, Administrative Costs

DISTRICT AND STATE TOURNAMENT INFORMATION: The deadline to enter teams in District and State Tournament play is Friday, June 24, 2011.

The Rochester Softball Association will be sending all teams who pay the entry fee by June 24, 2011 to either the District or State Tournaments. If, by chance, there are more teams wanting to go that the MRPA allows us, then there will be a playoff between the teams to determine who will advance to District or State. Tournament fees and dates will be sent out at a later time.

If you have any questions regarding the 2011 softball season, please feel free to call the Park and Recreation Office at 328-2525.
